CONTAINERS

Fast and affordable container office solutions

Waco Modular Space Solutions has a fleet of over 700 fully insulated, superior quality, site office units.

These units come with pre-installed and fixed furnishings in various configurations. It's an instant ready to use office. Unlike most container offices Waco Modular units have high-quality insulation on the walls and roof to deliver a hospitable working environment.

Waco Modular container offices are strong, durable and designed for Africa's harsh climatic conditions. They are easy to transport, making them the ideal choice when urgency is a critical factor. Waco Modular also supply non-insulated units for general use.

All units can be rented or purchased.
